

## Press release

# David Goulbourne new President of Powder Solutions division at Sandvik

St. Martin, April 24, 2025

**David Goulbourne is the new President of the Powder Solutions division at Sandvik, effective May 1, 2025.**

The Powder Solutions division belongs to business area Sandvik Manufacturing and Machining Solutions, part of the Sandvik Group. The division includes brands like Wolfram and Buffalo Tungsten as well as Osprey® line of products. David Goulbourne will also be the President of Wolfram Bergbau und Hütten AG.

David Goulbourne brings nearly 25 years of experience in the manufacturing industry and an entrepreneurial mindset. Before taking this role, David Goulbourne held the position as Vice President Business Unit Solid Round Tools at Sandvik Coromant.

“I am thrilled to join the Powder Solutions division and contribute to strengthening and expanding our leadership in the powder manufacturing industry. My focus will be on ensuring that customer value remains our top priority, by continuously developing more sustainable processes and high-quality powder solutions.” says David Goulbourne

He will succeed Alex Nieuwpoort, who has decided to retire after 28 years of dedicated service and significant contribution to Sandvik's growth and business development.

Alex Nieuwpoort will remain with Sandvik until end of June.
